Filings

The parties are advised that all filings should be made on the lead case, No. 21-7000, and in such member case(s) as the filer is a party. Filings should designate both the lead case number and the case number assigned to the member case in this court. When filing in CM/ECF, it is necessary for filers to “deselect” individual case numbers (other than the lead case) in which they have not appeared as a party. In the event errors are made in de-selecting cases, misfiled documents may be locked or stricken with instructions for correction by counsel or may be corrected by the Clerk as she deems necessary.

Bar Membership and ECF Filing Privileges

6 Cir. R. 25 requires that all filings made by attorneys must be made electronically in CM/ECF. Additionally, any attorney appearing in a case in any capacity must file a notice of appearance and be admitted to the bar of the Sixth Circuit. See 6 Cir. R. 12, 46. Admission information is available on the court’s website, and counsel may contact the Clerk’s Office with any questions regarding the admission process and CM/ECF registration.

Petitions for Initial En Banc Hearing

As of the filing of this order, parties in three cases have petitioned for initial en banc hearing, and the respondents have been directed to file a consolidated response to those petitions no later than Tuesday, November 30, 2021. Any other party wishing to do so may file a notice joining in one or more of the currently filed petitions or file a petition for initial en banc hearing no later than Wednesday, November 24, 2021.
